CROP CONTEST BLANKS READY

Secretary Cates Gives Instructions About Feed Prizes

A timely comment from the Chuck Wagon column of the Fort Worth Star-Telegram on the feeding value of grain sorghums is here reproduced.

The suggestions are timely taken in connection with the interest that has been bestirred in the planting of this type of feed crops a some time during this and next month as feed insurance for the winter, and for reason of the contest announced to stimulate the planting of such crops.

The contest has already developed considerable interest and is expected to grow in importance if and when it rains to provide seed beds in which the seed will germinate. The contest offers thirty-five dollars in cash to the farmer who produces the highest yielding field of five acres of any one or more of six types of grain sorghums, Hegari, Feterita, Black Hull Kaffir, Milo Maize, Ajax or Chilte, and fifteen dollars cash as a second prize. Fill out the accompanying coupon should you desire to enter the contest. Turn it in to the committee:

Agricultural Committee,
Chamber of Commerce,
Decatur, Texas:

I hereby enter as a contestant in the FIVE ACRE SORGHUM MAIZE FEED GROWING CONTEST. I live in Wise county. I agree to abide by the simple rules as announced.

The almost universal adaptation of the improved sorghum varieties to Texas farming conditions has opened the way to successful farm feeding of cattle in Texas, an enterprise that previously had been yielded to the corn belt of the middle west. Grain sorghum as the basic grain and forage crop of west Texas and is becoming of increasing importance in central and even east Texas, declare Texas experiment station experts in a bulletin just issued. The bulletin continues in part as follows:

Third in value among the crops of Texas, this state's grain sorghums yield about 60,000,000 bushels annually or about half of the nation's crop. Its excellent yield and quality of forage make it an important supplement to the corn crop even in those sections where corn can be produced. The ability of the plant to withstand drought and wait for rain is a most valuable quality where droughts in the summer are common.

Grain sorghums have been grown in Texas since the late 1880's, when standard yellow milo and standard blackhull kaffir reached the state, coming originally from foreign countries. Since that time many varieties have appeared. The exact origin of some is not known. Others have been introduced from foreign countries, and many improved selections and hybrid varieties have been developed and distributed by the experiment station. Versatility in type and behavior in grain sorghum varieties enables a choice of a single variety to meet almost any soil or climatic condition in Texas. For many years the grains of the sorghum were considered inferior to corn and they usually brought much less than corn on the market. Comprehensive feeding experiments over a long term of years, however, have shown that the grain sorghums are worth pound for pound practically as much as corn, and for special purposes these grains have been found even preferable to corn.

The attention of the seed breeder has been directed not only to the development of the more prolific and the more desirable types of grain, but the quality of the forage has also

of remedying a bad situation for several days, and it appears at this writing that an abundant supply of good water will be announced in a few days. Well No. 1 was completed Tuesday, and it is hoped that by Friday (tomorrow) it will be in readiness to do its part. This well is said to be a producer of between 40 and 50 gallons per minute. Another well is going down, and it is believed that it will be good for 50 gallons, or better, when ready for the hook-up. For emergency, a source giving a hundred thousand gallons of water per 24 hours, is not bad, mates and fellow sufferers of the water-patron contingent. Congratulations to you, Mayor Baits and the councilmen, says Messenger.

Baptist Association Will Meet at Wheeler Park

The Baptist Training Service of the Montague-Wise association and surrounding counties will hold an encampment at Joe Wheeler Park beginning Monday morning, June 18, and lasting thru Friday, June 22nd. B. T. S. study courses will be offered in the morning programs and recreational activities will be held in the afternoons. There will be one sermon each day by a preacher of some nearby Baptist church. Courses will be offered for juniors, intermediates, seniors and adults, conducted by the best teachers that can be obtained.

It is expected that between two hundred and three hundred B. T. S. members will be in attendance. The public generally is invited to attend any of the activities.

Two Hundred Attend Oak Grove Union Meet

Results of continued effort were displayed at the annual union meeting of the Wise County Union of the Methodist church at Oak Grove Thursday night. Nearly 200 were present, a number which represents the largest group to attend in the history of the Wise County Union. This great attendance was largely due to an enthusiastic council meeting last week to arouse interest.

Following a very religious worship program, a short informal recreation period was held to complete the activities of the meeting. Juanita Clay of Oak Grove made the keynote speech on the subject, "Christ, the Winsome Winner," and special music was furnished by Evelyn Washburn and Lou Velma Taggart. Union Counselor O. D. Gose concluded the worship program with a very instructive talk. Alvord was chosen as the meeting place next month, with the date, July 2, set for the time.

Several members of the Wise county Methodist churches at the present time are taking an extensive part in the North Texas Young People's Assembly at S. M. U., Dallas.

Plans were discussed concerning the Decatur district young people's encampment to be held at Joe Wheeler park July 9-13.

been considered and the breeder has been able to combine grain and forage production so that it often is the case that a field of grain sorghum will produce an acre yield of corn and at the same time a yield of forage worth almost as much as the grain. In feeding experiments with lambs and cattle it has been found that a small addition of limestone flour to the sorghum roughage renders it almost as valuable pound for pound as alfalfa hay. Bulletin No. 459 of the Texas station reports on the grain sorghum varieties in Texas, naming and describing each, together with information on the regional adaptation.

Gay Masher Is Taken By Fort Worth Police

William Hill Dickerson, 35, was remanded to jail without bond Tuesday morning after an examining trial before Justice of the Peace Prichard on charges of attacking and robbing Mrs. A. L. Vymola, 511 East Weatherford street.

Mrs. Vymola told police that she was attacked and robbed of \$2.50 by a man who lured her into an automobile and took her to a lonely lane near Plover Saturday afternoon.

Dickerson made no statement and his attorney, Frank Bender put no witnesses on the stand.

"When a woman gets on the stand and swears she is telling the truth and then tells facts that make out a straight case of this kind, the court has no alternative in a capital offense but to deny bond and leave the matter up to the grand jury," Justice Prichard said. "This court is no mind reader."

Mrs. Vymola took the stand to relate how the man enticed her into his car by telling her that her husband had been injured, how he took her to the lonely place and attacked her and then threatened her with death if she reported to police. She said that she fought him twelve times.

"He seemed familiar with the place and I told him, 'you have been here a lot of times,'" said Mrs. Vymola. "He said, 'I've been here a lot of times with women who would not report me.' I told him, 'Well, here's one who will.'"

She testified further that a strange woman told her next day that "he tried it on me but I didn't get into the car."—Star-Telegram.

County Audit Finds Formr Sheriff Short More Than \$20,000

Dallas, Texas, June 9.—Former Sheriff Hal Hood owes the state of Texas \$20,955, the fifth court of civil appeals ruled here today.

The suit against Hood grew out of the Dallas county audit and its findings in 1932.

The judgment represents fees and unauthorized expenses, as written into the opinion of the appellate court which was due the state from office fees.

Hood and his bonding company, the Constitution Indemnity company, were held jointly liable for the amount due—\$10,055 against Hood and \$10,000 against the bonding firm. An additional \$900 was assessed Hood in unauthorized expense items.

Mrs. Effie Hefflin entertained the Blue Bonnet Bridge Club Thursday afternoon. Mrs. Ben Grubbs won high score and was given the prize. Refreshments were served to twenty guests.

City Police Arrest Man For Decatur Officers

The law took its course yesterday afternoon, although it had several turns before a man arrested here for Decatur authorities got into the jail there.

City Detectives Cobb, Cleveland and Chaffin arrested two men and a woman at a house in the 1200 block of West Daggett avenue at 2 p. m. after having to climb onto the roof of the house to get the men. When the officers arrived, the men ran upstairs and climbed onto a window to the room and hung there until discovered. The woman was released, but the men were detained. An attorney sued out a writ of habeas corpus at 4 p. m. for Willie Fitzgerald, but Judge Small in county court allowed police until 6 p. m. when told Decatur officers were on the way for the man.

At 6 o'clock the man was released because the officers had not arrived. The sheriff's office at Decatur, realizing the deputies would not get here soon enough, called Texas Ranger Gib Abernathy and asked him to arrest the man for that office. Abernathy made the arrest soon after Fitzgerald's release from city jail.

About 6:15 o'clock two deputy sheriffs got the man and left for Decatur.—Fort Worth Star-Telegram.

Lions' Relief Movement for Crippled Children

That there are in Texas twenty to twenty-five thousand crippled children whose malformations are such that eighty per cent of them may be cured and that a state-wide, non-denominational movement is in effect to bring relief to as many of these children as may be reached, were facts brought to the attention of Lion members and guests at their mid-week luncheon last week.

The speaker was Dwight Twitty, superintendent of the Baptist hospital in Dallas. An organization called the Texas Society for Crippled Children, has been created to reach into every county in Texas to bring medical and surgical attention to as many children as possible. It is a humanitarian movement in which all denominations have joined and which has been vouchsafed the donated services of numerous of the surgeons and medical practitioners of the state, and is also financed to an extent by appropriations from state and federal governments.

Mr. Twitty presented his facts here as the invited guest of the Lions Club, which has already assumed the part of leadership in Wise county in bringing relief to suffering children in other ways. Mr. Twitty suggested that a local organization be espoused to work with the general state organization in focusing attention on the afflicted of Wise county, and was referred by President Powell of the Lions Club to its committee on health

CANDIDATE ASKS OPPONENT STAND

Bailey Wants to Know Connally Position Ickes Bill

Sherman, Texas, June 11.—Again demanding that Senator Connally come out in the open and tell how he stands on the Ickes oil control bill, Congressman Joseph W. Bailey, Jr., addressed a large and enthusiastic crowd of voters from Grayson and surrounding counties at the Houston street park here tonight. His address was broadcast over the radio.

His speech was the first Mr. Bailey has made in Texas for the past week. He returned Monday afternoon from Washington, where he has been fighting for states rights and opposing the Ickes bill before the congressional committee. Congressman Bailey was the leader in this fight, which resulted in the sidetracking of this measure and victory for patriotic Texans, who in large numbers had heeded Mr. Bailey's plea and gone to Washington to back him up.

"I am still waiting for Senator Connally to announce to the voters of Texas just how he stood on the Ickes bill," Mr. Bailey told an applauding crowd. "The Ickes bill is apparently dead in this session of congress; however, should it come up on the floor of the house I shall immediately relinquish my speaking campaign and fly to Washington in order to cast my vote against it."

Mr. Bailey explained the need for the readjustment of the present republican tariff, declaring that it was strangling the foreign trade of America, so far as wheat, cotton and other raw materials re concerned. He said that with increased foreign trade thru tariff adjustment, employment could be found for millions of people at present idle and that farmers and industrialists would both profit.

Dealing further with unemployment he said that legislation should be enacted to break up the huge monopolistic corporations, subsidiaries and holding companies into their smaller and constituent parts. The breaking up of these huge corporations, placing them in their former positions previous to the great mergers of the past few years, would provide additional millions of people now idle with employment.

Mr. Bailey declared in favor of the immediate payment of the adjusted service certificates to war veterans, pointing out that the expenditure of this money thruout the nation would be an immediate and effective step towards the general recovery of business.

Mr. Bailey left Sherman late Monday for Amarillo, where he will speak Tuesday night. On Wednesday he speaks at Plainview in the morning and Lubbock at night. On Thursday he speaks at Winters, Coleman, Ballinger and San Angelo; on Friday at Eagle Pass, Carrizo Springs, Del Rio and Laredo; and on Saturday at Mission, McAllen, Harlingen and Brownsville.

Mrs. Buck Riley Dies At Henderson Home

Mrs. W. R. (Buck) Riley passed away at her home in Henderson, Texas, Wednesday.

Funeral services were held at the First Baptist Church in Bridgeport Friday, 2:30 p. m., after which interment in the East Side cemetery.

Mrs. Riley formerly lived in Bridgeport for many years, being well known here by all the old-timers.—Bridgeport Index.

Word has been received of the death of Mrs. R. A. Bellah at her home in Canyon, Monday morning. Mrs. Bellah was well known in this community.

A LONELY DEMOCRAT

There are a lot of Democrats and republicans too, who regret that Congressman George B. Terrell is retiring from the house. He is one of the few remaining old line democrats, and his "swan song" before the house must have brought lumps in the throats of the veterans and others who still long for the idealistic principles which were the basis of the democratic party for so many elections.

"Let me live in Texas rather than be a stepchild of the Soviet," said Congressman Terrell, implying that the democratic party as he knew it is no more, and instead is committed to Soviet principles.

By his votes in the house, Congressman Terrell indicated plainly that he preferred the time honored democratic principles to the new-fangled new deal ideas, and it is suspected that a great many other dyed-in-the-wool members of the party have a feeling that it wasn't necessary to change the old party principles so completely, especially to the extent of trampling on states' rights, one of the sacred planks that had been in nearly every party platform for years.—Denton Record-Chronicle.

"CRIME OF HELEN STANLEY" HERE THURSDAY AND FRIDAY

Ralph Bellamy, latest of the screen detective figures, in his new Columbia production, "The Crime of Helen Stanley", comes to the Majestic Theatre today (Thursday) and Friday.

This is the third of a series of six police-detective mystery pictures in which Bellamy will be seen as Inspector Trent, head of the detective division of a metropolitan police department.

BRIDAL SHOWER

Misses Helen Robertson, LaVerne Smith and Marjorie Beth Jennings were joint hostesses at a shower given in honor of Mrs. Wilkes Dickenson at the home of Miss Robertson at 8 o'clock Friday night.

A diversion was enjoyed by the guests and the gifts were presented to the bride in an unusual manner.

Refreshments were served to about forty guests.

CREAM SUPPER AT FLATWOODS

There will be an ice cream supper held at the Flatwoods school house, 8 miles south of Decatur, Friday night, June 15, at 8 o'clock. All candidates have a special invitation, and the public generally is invited to come. There will be plenty of ice cream and lots of entertainment.

PREVIEW OF "THE HOUSE OF MYSTERY" SATURDAY NIGHT

Ed Lowry, that internationally famous master of ceremonies, who for years has been a headliner in stage productions all over the country, makes his debut on the screen in "The House of Mystery," a Monogram feature, which will open at the Majestic Theatre Saturday.

Portraying the role of an insurance salesman, who is heir to a fortune that has been discovered amid the ruins of Kali in India, Lowry sells insurance on the screen and sells himself to a critical audience that has seen him on the stage in an entirely different role.

THE H. D. CLUBS

The Oak Grove Home Demonstration Club met Tuesday at the home of Mrs. Jack Henson. Plans were made to send a delegate to the short course held at A. & M. College. Delicious refreshments were served to Mmes. Wacey, Bartlett, Hilton, O. L. Cook, B. W. Cook, S. H. Taggart, Freeman Taggart, Stephens, Hachtel, Baits, and Misses Evelyn Wacey, Juanita Clay and Lou Velma Taggart.

Mrs. Bertha Teurman was hostess to the Sweetwater H. D. Club Friday afternoon, June 8, 1934. Ten members and one visitor were present. Opening exercises were led by Mrs. Birdine Boydston. Interesting discussions on "How to Keep a Yard Dressed Up" were made by Mmes. Albert Morris and Bill Gage and Miss Lela Teurman. Plans for the future entertainment of the club were made. The next meeting will be with Mrs. Love Watson on June 29th.

ATTENTION, DECATUR CIRCUIT METHODISTS!

On last Saturday we had our third quarterly conference at Greenwood. The attendance from other points than Greenwood was small, but we had an interesting conference, nevertheless. Our presiding elder, Dr. R. G. Mood, brought an interesting message at the eleven o'clock hour. I always feel that when Dr. Mood preaches, the house should be filled with people to hear the interesting messages which he brings. It is indeed a privilege to hear him preach. The sermon was followed by the sacrament of the Lord's supper. At the noon hour the good ladies of Greenwood served a delicious lunch, and there was more than enough for all who were there. At two o'clock the business session of the conference was held. Most of the reports that were made were gratifying, and showed that progress is being made in several of our church activities. The report on pastors' salary is somewhat in arrears to date, however there is hope that when conditions get better the salary of the pastor will also come in better.

The pastor is glad to report that two more gallons of paint have been promised for the Oliver Creek church. We are now in need of six gallons more in order to have enough on hand to get the church painted. We want to get started on painting the building by July 1, and have it all done by the time the revival begins on July 13. The pastor feels sure that there are six more people who will help the good people at Oliver Creek in getting their church building painted. The pastor and the Oliver Creek people feel very grateful to all who are helping in this worthy undertaking. The appointment for next Sunday is at Oliver Creek.

R. E. PARKER, Pastor.

The Gose family reunion, an annual affair, was held on May 30 at the reunion grounds, that day being the birthday of Grandmother Mary Frances Gose. Relatives were present from Haskell, Quanah, Wichita Falls, Alvord, Krum, Denton, Fort Worth, Corpus Christi, Adrian, Oklahoma City and other points. One hundred and twenty-six people were present, 108 of them being relatives. The Gose connection, direct descendants of S. M. and Mary F. Gose, now number 151 persons. The day was happily spent.

"SISTERS UNDER THE SKIN" AT MAJESTIC NEXT WEEK

"Sisters Under the Skin", the Columbia film, which will open at the Majestic Theatre Tuesday night, June 19, proves a source of constant delight to the audience.

A simple story simply told, "Sisters Under the Skin" deals with a lovely young actress forced to choose between love and luxury. But her loyalty holds her to the man who can give her everything, while her heart asks for the other who can offer her only love.

Mr. and Mrs. T. L. Cannon and family of Vineyard, spent Sunday in the home of Mr. and Mrs. W. D. Pinkerton. Mrs. Pinkerton accompanied them home for a visit.

FAMILY REUNION

Sunday, June 10, a family reunion was enjoyed at the home of Mr. and Mrs. W. D. Pinkerton. All the children were present except three, J. D. and John Pinkerton and Mrs. Lula Ragle, who could not attend the occasion. All brought well filled baskets, and lunch was spread under a shade in the presence of 46 relatives and friends. All enjoyed the bountiful feast. After lunch a song service was enjoyed, the singing being led by S. T. Easley. About four o'clock the folks began to leave for their homes after enjoying a very pleasant day. It is hoped that these good relatives and friends may live long enough to see another day as they did this one at the same home.—One Present.

Here's Speedy and Welcome Recovery From Bunion Pains and Soft Corns

Get a two-ounce bottle of Moone's Emerald Oil (full strength) today. Every well stocked drug store has this with the distinct understanding that your money will be cheerfully returned if it does not reduce the inflammation, soreness and pain much quicker than any remedy you ever used.

Two or three applications of Moone's Emerald Oil and in fifteen minutes the pain and soreness disappears. A few more applications at regular intervals and the inflammation is gone.

And as for Soft Corns a few applications each night at bed time and they just seem to shrivel right up and scale off.

No matter how discouraged you have been with pads, shields, or other applications, if you have not tried Emerald Oil then you have something to learn.

Renfro's drug store and every good druggist guarantees the first bottle of Moone's Emerald Oil to end your foot troubles or money back.

Dr. J. L. Ward

Dr. Geo. W. Truett, eminent Baptist divine, contributes the following tribute to Rev. J. L. Ward, president Decatur Baptist College. Messenger takes pleasure in reproducing the expressions of the great Dallas preacher about the builder, patriot and Christian gentleman—our fellow townsman, Dr. Ward.

From his young manhood it has been my rare privilege to see and to know much of President J. L. Ward of Decatur Baptist College. It is no formal word that I would here write concerning him, but it is a word, direct from my heart, out of forty years of deep personal friendship and Christian affection for him. For three years he was my most intimate fellow student in Baylor University. I have never known a truer, more conscientious, more dependable Christian gentleman than is President Ward.

To those of us who have been privileged to come into close relations with this modest, faithful rarely-capable Christian educator, preacher and leader, his notably useful career is not at all surprising. That he is so widely honored and gratefully loved by Texas Baptists is not at all surprising, in view of certain outstanding characteristics of his life.

Before all else, his lofty personal character stands out like some towering mountain. Carlyle says that the first requirement of a great man is that he shall be a true man. President Ward measures up to this requirement as truly as any man whom any of us have ever known. His life is integrity incarnate. His mind, like light, always travels in straight lines. Sincerity is the girdle of his character. God's gentleness has made him great.

The majestic and commanding word of his life has been the word, duty. He has glorified this word in all the relations of his life. The crown and climax of his life has been his humble, unflinching, aggressively courageous, Christian faith. In his presence one is instinctively conscious that he is in the presence of one of Christ's truthful, joyful, faithful friends. He could truthfully say, as said by another great Christian worker, in explanation of his nobly useful life: "Jesus and I are friends."

Early in life, President Ward found the clue to life, its right key, its worthy perspective, and he has from his youth walked in the steps of Him "Who went about doing good." He has met the Master's test of life, which is the right kind of service. He has wrought a monumental work as the president of Decatur College. In all his relations in such high position, whether as business executive, administrative leader, or spiritual adviser, he has done as worthy a piece of Christian work as has been done by any Christian leader of our generation in Texas. Christian education has been gloriously exalted by President Ward and his faithful band of fellow teachers in Decatur College. He and they have been glad to pay the full price for the nobly worthy record that the college has made, and they deserve and have and should increasingly have the grateful and wholehearted co-operation of us all.

More and more, may God graciously bless President Ward and Decatur Baptist College, and enable them to be an ever-increasing blessing.—Rev. Geo. W. Truett in Baptist Standard.

METHODIST CHURCH

"The Church with a Glad Hand"

W. C. Clement, Pastor

The pastor is on his feet again, endeavoring to care for his work after a brief vacation in the hospital. A vacation that was not asked for nor desired, but given just the same.

A number of faces were absent at Sunday school and church last Sunday. Perhaps they are taking a vacation. If so, the pastor will be glad to visit them as soon as the doctor thinks they are able to have visitors.

There are many people who need a spiritual operation and if they will come to church next Sunday we will do our best to make them acquainted with the Great Physician, who will diagnose their case and perform the operation with marvelous skill.

Sunday school will begin at 9:45. Please be present and on time. Preaching at the morning and evening hour by the pastor.

BAPTIST CHURCH

R. E. Bell, Pastor.

Pastor R. E. Bell will preach next Sunday morning on "The Cost of Religion," and at night on "The Cost of Sin."

Mr. Dorrel P. Jones has been elected general director of the B. T. S. He has had experience in this kind of work and is taking up his duties with enthusiasm and determination.

The Associational Workers' meeting will be held at Joe Wheeler Park next Monday, beginning at 9:30 in the morning. Rev. H. T. Tinsley will preach at 11:30 a. m., and in the afternoon Decatur College will be discussed by Pres. Ward, Mrs. Kaker, Rev. E. L. Moody, and Dr. E. M. Gettys. Mr. Tinsley, who is on the field for students this summer, reports the best prospects for a large student body this fall he has ever seen at this time of the year. The college seems to be highly regarded everywhere.

The encampment at Joe Wheeler Park begins next Monday evening. Study courses and a sermon will be given each morning; rest and recreation will be enjoyed each afternoon, and an inspirational sermon will be delivered each night. Mr. and Mrs. Pritchett will be in charge of the music.

Miss Eunice Roe, daughter of Mr. and Mrs. B. F. Roe of this city, and Mr. E. J. Sanders of Fort Worth, were married in that city Saturday, June 9 at 2 p. m. They left immediately after the ceremony for a week's stay in Sulphur, Okla. After a short wedding trip they will be at home in Fort Worth. Mrs. Sanders is well known and possesses many friends here. She attended Decatur high school until three years ago.

Take Six Inches Off Hips and Bust

The SAFE Way to Reduce
"For 3 months I've used Kruschen Salts—I've lost 45 lbs., taken 6 inches off bust—3 bottles gave me splendid results," Mrs. Carl Wilson.

A half teaspoonful of Kruschen in a glass of hot water every morning is the secret how overweight folks can reduce SAFELY and at the same time gain physical attractiveness. One bottle lasts 4 weeks. You can get Kruschen Salts at any drug store in the world.

BAER-CARNERA BOUT WILL BE BROADCAST ON NETWORKS

The B. F. Goodrich Rubber Company will sponsor a ringside blow-by-blow description of the Max Baer-Primo Carnera heavyweight championship fight to be staged Thursday night, June 14, in New York City, it is announced by Gordon Roberts and Summit Garage, Goodrich tire dealer in Decatur.

The broadcast of the colorful boxing match will be made over the entire National Broadcasting Company system, according to Mr. Roberts. Both NBC-WEAF (Red) and NBC-WJZ (Blue) and associated stations will carry the fight.

"Because of the wide-spread interest in the coming fight, we were naturally pleased to learn that Goodrich had made arrangements to broadcast the event," Mr. Roberts said.

Goodrich is now presenting a radio serial called "Taxi", featuring Baer in the role of a New York City taxi driver, on Monday, Wednesday and Friday nights over a coast-to-coast network, the programs coming from the Californian's training camp in New Jersey. The NBC-WJZ network and associated stations are on the hook-up.

THE TOUGHEST TEST A MOTOR OIL COULD TAKE!

NEW AND IMPROVED CONOCO GERM PROCESSED MOTOR OIL WINS THE TERRIFIC "DESTRUCTION" TEST!

AAA SANCTION NO. 3001

A DARING, competitive test—and what a result! New and Improved Conoco Germ Processed Motor Oil outdistanced five worthy rivals, thanks to the extraordinary film strength and penetrativeness our recently patented process gives it. Five quarts of this remarkable new oil lubricated a motor for the almost unbelievable distance of 4,729 miles before the motor was wrecked!

Five other oils, all nationally known, competed with New and Improved Conoco Germ Processed Motor Oil in this test. All cars were driven under AAA supervision, under exactly the same conditions until the motors could no longer operate. The notable thing is that five quarts of New and Improved Conoco Germ Processed Motor Oil went more than 3,000 miles farther than the first oil to fail, and over 1,400 miles farther than the best of its competitors!

The results of this test should guide your motor oil purchases from now on. Look for the Red Triangle Sign.

FUNDAMENTALIST BAPTIST CHURCH

Raymond House, Pastor.

Last week was a busy week for the pastor and some of his co-workers. He made a trip to Oklahoma to bring down his gospel tent which will be spread some time in the near future for a revival. Usual midweek services, including many visits in the homes, seeking to "stir up your minds by way of remembrance," doing personal work where there were unsaved ones.

Two very interesting Bible classes each Monday at 7 p. m., adults taught by Mrs. R. C. Nutting, and the young people's class taught by the pastor. All should attend one of these classes.

In the ten a. m. Bible school we have completed the study of the minor prophets, and next Sunday will begin the study of Genesis, lesson I chapter. Meet at tabernacle Friday night, 7 p. m. for brief season of prayer, followed by visitation in the homes of the people, companies of two. Jail service each Sunday at 2:30 p. m. Several conversions reported.

Usual service Thursday night, Saturday night; teachers' meeting Tuesday night.

Methodist W. M. S.

The Bible study of the W. M. S. met Monday, June 11, at the Methodist church, with Mrs. C. M. Workman and Miss Betty Agnes Workman as joint hostesses.

The discussions were led by Mrs. L. W. Keith and the lesson, based on Philippians 1-4, proved to be a helpful one, holding the interest of all.

Refreshments were served to twenty-four ladies.

Guest day will be observed next Monday afternoon, June 18, at 4:00 o'clock, in the home of Mrs. J. M. Scott. All ladies of the W. M. S. and of the church are invited.

Garvin Methodist

We received \$14.62 from the candidate's pie supper, June 9. The money will be used to build benches for the church, the benches to cost not more than \$1.50 each. Other plans are laid to raise money thruout the year. The church has five acres of cotton which will add to the fund if cotton makes this year. We want to thank all who were present and all those who were not present and sent in donations.

A good lesson was enjoyed Sunday morning by about 45 people. The lesson was taken from Matt. 27, "Jesus Suffering on the Cross." Next Sunday's lesson will be taken from Matt. 28, "The Risen Lord and the Great Commission."

Next Sunday, Rev. Russell, our Methodist pastor will preach for us
